Saddleworld Winery Dressage Festival 2001 HORSE SPORTS DAY PROGRAM FRIDAY 23RD MARCH 2001

Werribee Park National Equestrian Centre, K Road, Werribee

\$10 per person for the whole day.

9.30 am

Check off at entry gate, and then register at Merchandise Tent

10.00 am Seminar marquee
COLLEEN KELLY - Biomechanics Level 3 coach.

Early childhood injury from riding, led Colleen to the study of Alexander Technique and Feldenkrais, and in turn to study and train in biomechanics. Colleen's topic will be 'how rider posture affects the horses biomechanical movement'

11.00 am Seminar marquee
MALCOLM LORD - Basic problems with our horses feet.

Malcolm taught the farriers apprentices at Glenormiston and lectured at Epping TAFE. He will discuss and identify the usual problems that we encounter

12.00 noon Seminar marquee
Dr. SIMON ROBINSON- General Manager of Alabar Bloodstock

Dr Robinson will speak on "reproduction and artificial breeding technologies for horses". After graduating from Sydney University, Simon studied and trained in the U.K. at Cambridge University Equine Fertility Unit, he has returned to Australia to head the extensive breeding programs of Alabar Bloodstock.

1.30 pm Seminar marquee
CHRISTIANE SIEVER-KELLY- Technical manager for Winery.

Christiane will speak on the digestive system, nutrition and feeding. Christiane a graduate from the University of Bonn has worked as a research scientist for the Department of Agriculture and the CSIRO, before taking up her current position.

2.30 pm Seminar marquee
MARK BURNELL -Dentist to the Equine Stars of all disciplines, Mark will cover all aspects of the horse's mouth. How dental structure changes with aging and associated problems and care

Grand Prix This class will run in Arena one, adjacent to the seminar marquee. It affords a wonderful opportunity to watch our top horse and rider combinations in action including Mary Hanna, Rachael Downs and Ricky MacMillan who all represented Australia at the Olympic Games in Sydney
