Dear Colleen,

Re: Visit to St Helens, Tasmania

I write on behalf of the Suncoast Pony & Riding Club to officially thank you for your time and effort in visiting our club recently. Your wealth of information was so beneficial for all who attended. The general feedback from everyone was that it was the best lessons we've ever had, and that you have an amazing skill for putting things so simply and clearly. Overall the visit was enjoyed by all who had the pleasure of meeting you and all of our riders learnt more in 24 hours from you than anyone thought possible, and they had fun doing it.

We also very much appreciate the distance you traveled to see us, it does put a lot of people off, we are so glad it didn't deter you and we would love to have you back in St Helens any time your in Tasmania again. Small town syndrome (Word of Mouth) has hit since you left and I have already had at least a dozen people asking if you are coming back and could they book lessons.

Thank you and we look forward to seeing you again,

Yours sincerely,

Natalie Eaton
