TO WHOM IT MAY CONCERN

This is to certify that Colleen Kelly gave a formal address as well as a practical demonstration at the Queensland Horse Council Inc Annual Convention on 1 October, 1999 held in conjunction with the Queensland Festival of the Horse in Toowoomba. Her presentations relating to rider positioning, balance and timing were enthusiastic, dynamic and were delivered in a relaxed style that allowed relatively complex techniques to be delivered in a simple and unambiguous manner. Judging from the crowd reaction plus individual comments received, Colleen's efforts were extremely well received and participants would have derived considerable benefit from exposure to her theories.
